# 2<sup>nd</sup> UMMC End Of Life Care In The Critically Ill Symposium

Towards Relief of Suffering

**NATIONAL  
ANAESTHESIA DAY  
2014**

**Malaysian Society  
of Anaesthesiologists**

Organized by the ICU team, Dept of Anaesthesiology, UMMC in collaboration with critical care section of *Malaysian Society of Anaesthesiologists (MSA)* This Symposium is organised as part of the **World Anaesthesia Day** celebration. Anaesthesiologists as critical care physician have always played a roll in End Of Life Care (EOLC) & ICU. With this in mind this symposium is organised to promote awareness aboiut EOLC practices and to highlight issues associated with it

**16 October 2014 – Thursday**

**Venue: Clinical Auditorium,  
 Faculty of Medicine, University of Malaya**

## Objectives

- highlighting the role of health care professionals in the end of life care and issues associated with it.
- exchanging experience in managing End of Life Care cases

## Learning Outcomes

- At the end symposium, the participants should be able to;
- Understand the role of health care professional in providing quality EOLC.
  - Understand ethical, socio-cultural and legal issues associated with EOLC
  - Recognized that quality and effective EOLC requires a multi-diciplinary approach
  - Recognized the importance of communication skills in EOLC
