Message from the Organising Chairperson

Dear Colleagues and Friends,

Greetings! It gives me great pleasure to extend a warm welcome to the Annual Scientific Congress of the Malaysian Society of Anaesthesiologists and the College of Anaesthesiologists (ASC of the MSA/CoA) to be held from the 25th to the 27th of August 2016, at the Berjaya Times Square Hotel, Kuala Lumpur. The Obstetric Anaesthesia Satellite Meeting, an international event preceding the 16th World Congress of Anaesthesiologists in Hong Kong, will be held in conjunction with our Annual Congress. It is a great honour for us to welcome eminent speakers from all over the world before some of them head to Hong Kong.

The theme for the ASC of the MSA/CoA is titled 'Back to Basics' which we hope, will be able to meet the expectations of delegates in covering a wide range of topics in the Obstetrics and non-Obstetrics sessions. The Organising Committee and Scientific Committees have been hard at work to ensure an enjoyable academic Congress. The Scientific Committees have drawn up a stimulating programme consisting of pre-congress workshops with hands-on workshops, plenaries and concurrent symposium sessions.

The Congress will see distinguished and renowned speakers who are experts in their respective fields, sharing their knowledge and expertise on a wide variety of topics, representing the latest developments and future trends. This is definitely a Congress not to be missed!

Please do come and join us for the ever popular Gala Dinner which promises to be an entertaining affair to ensure that the delegates will have time to catch up with friends and fellows colleagues in an informal setting.

We look forward to meeting you and to a pleasant, interesting and fruitful Congress.

A handwritten signature in black ink, appearing to read 'M. Mansor'.

Scientific Communications

The Scientific Committee welcomes the submission of free communication abstracts for presentation at the Annual Scientific Congress 2016.

Free communications will be presented in one of the following formats:

- (a) Oral (for MSA-AZ Young Investigator Award and MSA Award)
- (b) Poster (for all other scientific communications)

Awards for best poster presentations :

1st Prize – RM1,000 • 2nd Prize – RM750 • 3rd Prize – RM500

Top 10 posters will be shortlisted. The presenters for these shortlisted posters must present their work to the judges in a 5-minute presentation.

Delegates are encouraged to submit abstracts for free papers / poster presentation online at: **www.msa.asm.org.my**

Please log-on to our website for full details on how to submit abstracts. The closing date for receipt of abstracts is **15TH JUNE 2016**.

GUIDELINES FOR SUBMISSION OF ABSTRACTS

- Abstracts are to be submitted in English.
- Organise the abstract under the headings: Title, Researchers (underline the Principal Investigator), Institution, Background, Objectives, Methods, Results and Conclusions.
- Abstracts of case reports will have the heading 'Report' instead of 'Objectives', 'Methods' and 'Results'.
- Abstracts must be accompanied by payment of registration fees. If the abstract is subsequently not accepted for presentation, the registration fee will be refunded to the author in accordance with the cancellation policy.
- Scheduling details and guidelines for the final preparation of accepted presentations will be included with the notification of acceptance.
- Authors who have applied to compete in the MSA-AZ Young Investigator Award or MSA Award and whose abstracts are not selected, can opt for the poster presentation if they so wish.
- The final selection will be the responsibility of the Scientific Committee.

INSTRUCTIONS FOR POSTER PRESENTATION

- Abstracts selected for posters will be presented as e-posters during the Congress. All e-posters must be submitted electronically through the website. Kindly visit the website **www.msa.asm.org.my** for more information. Authors will receive an e-mail with all technical information and details of the e-poster presentation prior to the event.

NOTE:

1. All accepted abstracts will be published in a special issue of the Journal of Health and Translational Medicine, University of Malaya (JUMMEC).
2. Poster Presentation is on 25th August 2016, Thursday, at 1400 hrs, while Oral Presentation is on 26th August 2016, Friday, at 1430 hrs.

Awards

MSA-AZ Young Investigator Award

The Malaysian Society of Anaesthesiologists and AstraZeneca Sdn Bhd are proud to announce the Young Investigator Award for original work in the fields of Anaesthesiology, Intensive Care and Pain Medicine. The award is given in recognition of outstanding original work and consists of an honorarium of RM 3,000 and a certificate of merit.

This competition is open to Malaysians below the age of 40 as of 1st January 2016.

MSA Award

The Malaysian Society of Anaesthesiologists initiated the MSA Award to encourage medical investigators in the country to participate in the proceedings of the Annual Scientific Congress. The MSA recognises the importance of research in the advancement of the discipline and supports efforts to develop this activity. This award is given to the researcher who has shown great achievement in research and consists of an honorarium of RM 3,000 and a certificate of merit.

This competition is open to all Malaysian medical practitioners. There is no age limit.

Rules (for both Awards)

1. The award will be given to the doctor who presents the best oral free paper on any topic in Anaesthesiology, Intensive Care or Pain Medicine at the Annual Scientific Congress.
2. The work must have been carried out substantially in Malaysia.
3. Only original work not previously published or presented, will be considered.
4. A 250 to 300 words abstract has to be submitted before the closing date.
The abstract should include a short discussion on how this work will enhance clinical practice.
5. The Organising Committee shall appoint the panel of judges. The decision made by the panel of judges shall be final.
6. In the event that no entry of sufficient merit is presented, the panel of judges may recommend that no award be made.
7. Closing date for applications in this competition is **15TH JUNE 2016**.
