WELCOME MESSAGE

Dear friends,

Every year, Indoanesthesia makes the habit of getting together a group of leading experts in the field of anesthesia as part of our commitment in keeping the enthusiasm of our growing number of participants alive. As Indoanesthesia continues to receive unfailing support from its loyal speakers and participants, and we are proud to say that we are expanding even further. The year 2017 will be a particularly exciting year for us, WE WILL BE THE HOST OF The 1st World Congress on Anesthesia for Obstetrics (WCAO) in conjunction with The 14th International Annual Meeting of Indonesian Society of Obstetric Anesthesia, 14th Indonesian Society of Regional Anesthesia and Pain Medicine and The 6th International Annual Meeting of Indonesian Society Critical Care Anesthesiologists. The event will take place in Bali, on February 23rd - 25th 2017.

Indoanesthesia's aim is to promote the best practice of Regional Anesthesia, Pediatric Anesthesia, Neuroanesthesia, Critical Care Anesthesia and WCAO to share knowledge, experience and developments amongst the growing body of specialized obstetric anesthesiologists. Distinguished speakers and experts from prominent anesthesia societies around the world will gather and share their updated knowledge on the field of Obstetric Anesthesia as well as Maternal and Neonatal Critical Care to the international audience. Supported by the likes of Society for Obstetric Anesthesia, Obstetric Anesthetist Association, Obstetric Anesthesia Society Asia Oceania, African Obstetric Anesthesiologist, Latin America Obstetric Anesthesiologists, Club d'Anesthésie Réanimation en Obstétrique, The European Society of Anesthesiology and the World Federation of Societies of Anesthesiologists, participating in this event will allow your institution to engage at the frontline idea-sharing of Obstetric Anesthesia. Your support for Indoanesthesia would also signify a bond to a brand with a long history of fruitful meetings.

Please come and join us build this event together. We look forward to make good memories with you. See you in Bali in 2017.

Warm regards,

5

E-Poster

GENERAL GUIDELINES

- 1. The format of your eposter must be PPT or PDF, landscape, 16:9. Your file must be compatible with a PC
- 2. You can only produce one slide for your eposter
- 3. You may use the official WCAO 2017 eposter template as a reference (non-mandatory) for download HERE
- 4. Don't overload your poster. Remember, you are not writing an article
- 5. Seek simplicity, keep text to a minimum and avoid redundancies
- 6. Use 500 to 1'000 words (including title, figure legends and tables), definitely not more
- 7. Graphics such as figures and tables can effectively convey more information than text, and should cover approximately 50% of the poster area
- 8. The average reader spends 1-2 minutes on your poster.
- 9. Clearly state your AIM or HYPOTHESIS for this study/poster at the end of the introduction
- 10. Highlight your main findings that are directly relevant to the AIM or HYPOTHESIS
- 11. Your conclusions should directly address or answer your AIM or HYPOTHESIS
- 12. We suggest that the pathway (eye movement) is down the columns. Use 3-4 columns
- 13. Use a constant font throughout the poster
- 14. Let your important points stand out. Use (but don't overuse) bold and colours
- 15. If possible, avoid abbreviations and acronyms, especially in the Conclusions
- 16. Feel free to provide one or more key references (in the right lower corner)
- 17. Handouts of your abstract / poster (with your addresses) to your interested readers may facilitate future research communication
- 18. Prepare a short oral presentation of your poster to be presented during the official eposter discussion. Each presentation should not exceed 7 minutes (3 mins presentation + 4 mins Q&A)
- 19. You are requested to upload your eposter before Friday 5 December 2016 via the online platform or email us at admin@wcao2017.com or indoanestesia@gmail.com with a subject line: WCAO 2017 Poster Submission_YourName
- 20. Instructions to upload your e-poster have been sent by email to the submitter of your abstract
- 21. For assistance please contact: admin@wcao2017.com or indoanestesia@gmail.com

E-POSTER PARTICIPANT

- This competition is open to all students (Graduates, Post Graduates and Research Scholars not above the age of 35).
- Presenters who do not wish to participate or those who are not eligible for the competition are also welcome to present their poster at the conference.
- The abstract submission deadline for poster competition will be closed one month before the conference date (this is subject to change), hence all are requested to submit their abstracts well in advance.
- The abstract should include complete details of the contestant (e.g., abstract title, name, affiliation, abstract and biography etc).
- Abstracts have to be submitted through online or by email. Shortlisted abstracts for the competition will be intimated through email and those will be displayed on the website as well.
- If the registered author/poster presenter is unable to attend the conference he/she may send a substitute who can be a co-author (or) any member from the same institution. If the winner is a substitute, he/she will be awarded and not the registered author/contestant.
- Opportunity for young researchers to learn about the research areas of their peers to increase their capacity as multidisciplinary researchers.
- All shortlisted poster presenters have to be registered before the deadline of abstract submission.
