2023 NAAWS

NATIONAL ADVANCED AIRWAY
WORKSHOP & SIMULATION

“Airway JEDI : Mastering the Art
of Advanced Airway”

Raia Hotel
& Convention Centre
Kuala
Terengganu

Fees

	Registration Fees	Early Birds (before 1 st May 2023)
Doctors	RM550	RM500
Allied Health (Limited seat)	RM350	RM300

Limited to 150 participant only!
Grab your seat fast!!!

Highlights

This event consist of
symposium, workshop & simulation

List of workshop:

- >> Airway ultrasound
- >> Fiberoptic intubation
- >> Surgical Airway
- >> Supraglottic airway & Video Laryngoscope
- >> Bonfils

State-of-the-art mannequin for simulations

Kindly make your payment to:

Tetuan Persatuan Anestesiologi dan Rawatan Intensif
Hospital Pengajar UniSZA

Account no: 13062010037800 (Bank Islam)

Tentative (Day 1 : 15th July 2023)

Time	Events	
0800	Registration	
0830	1st Plenary Talk : ASA Difficult Airway Algorithm: Best Practice Strategies for Success (Prof. Madya. Dr. Mohd. Fahmi bin Lukman)	
0900	Opening ceremony	
0930	Tea break & trade exhibition	
	Workshop	Symposium
1000	i. Airway Ultrasound ii. Bonfils Intubation iii. Surgical Airway iv. Supraglottic airway and Video Laryngoscope v. Fiberoptic Intubation	Airway Management Beyond the OR: Challenges and Strategies (Prof. Madya. Dr. Nadia binti Md. Nor)
1030		Rapid Sequence Induction : Full Stomach & Cricoid Pressure Controversy (Prof. Madya. Dr. Mohd. Fahmi bin Lukman)
1100		Intubation in ICU - Life threatening or life saving (Dato' Dr. Mohd. Ridhwan bin Mohd Noor)
1130		Illuminating the Way to Successful Intubation: Techniques and Tips for Using Fiber Optic Endoscopy in Difficult Airways (Prof. Madya. Dr. Nadia binti Md. Nor)
1200		Talk by sponsors
1300	Lunch break , Zohor prayer & trade exhibition	
1400	i. Airway Ultrasound ii. Bonfils Intubation iii. Surgical Airway iv. Supraglottic airway and Video Laryngoscope v. Fiberoptic Intubation	Ensuring Airway Safety in Emergency Situations: The Benefits and Techniques of Awake Intubation (Dr. Adi bin Osman)
1430		To err is human: Airway Management (1.) 10 Tops Tips in Airway Management (Dr. Abdul Karim bin Othman) (2.) Airway Leadership and Team Management (Dr. Azlie bin Hassan) Question and Answer Session
1530		Thinking Outside the Box: Complex Airway Management (EXIT Procedure) (Dr. Noraslawati binti Razak & Dr. Muhammad Habibullah bin Zakaria) Question and Answer Session
1630		Overcoming Challenges in Airway Management: The Benefits of Supraglottic Airway Device (Prof. Madya Dr. Rhendra Hardy bin Mohamad Zaini)
1700		End of Day 1

**Tentative is subject to change.

Tentative (Day 2 : 16th July 2023)

Time	Events
0830	2nd Plenary Talk: Airway Ultrasound in Difficult Airway Management (Dr. Adi bin Osman)
0900	3rd Plenary Talk : Anticipating the Unanticipated: Multimodal Approach in Difficult Airway Management (Prof. Madya Dr. Rhendra Hardy bin Mohamad Zaini)
0930	4th Plenary Talk : FONA: When things go wrong (Prof. Madya. Dr. Mohd Hashairi bin Fauzi)
1000	Tea Break & trade exhibition
1030	Workshop session & trade exhibition
1200	Talk by sponsors
1245	Lucky draw & prize giving ceremony
1315	Lunch break, Zohor prayer & trade exhibition
1400	Simulation
1700	End of programme

**Tentative is subject to change

PARTICIPANT INFORMATION

1. All participants will attend the Plenary Talks given for both days as per scheduled.
2. Each participant is entitled to attend all 5 workshops in groups (40mins per session). Participants who are not scheduled for workshop will attend the symposium instead.
3. Grouping & workshop timetable will be given after registration closed.
4. Symposium and Plenary talks will be recorded and will be available for participants after event ends

Meet The Experts

Welcome to our National Advanced Airway Workshop and Simulation! We are proud to introduce our team of experienced and dedicated facilitators who are committed to provide you with the highest quality education and training in airway management. Our facilitators come from diverse backgrounds in emergency medicine, anaesthesia, and critical care, and bring a wealth of knowledge and expertise to our program. With their guidance, you can be sure to receive hands-on training and practical skills to effectively manage any airway emergency.

WORKSHOP 1 : Airway Ultrasound

DR ADI BIN OSMAN

Senior Consultant,
Emergency Physician &
Emergency Critical Care,
Trauma & Emergency
Department,
Hospital Raja Permaisuri
Bainun.

Coordinator,
Fellowship in Emergency &
Critical Care Ultrasound,
Malaysian International
Training Unit,
The World Interactive
Network Focused On
Critical UltraSound
(WINFOCUS).

**PROF MADYA
DR MOHD HASHAIRI
BIN FAUZI**

Senior Lecturer &
Consultant Emergency
Physician School of Medical
Sciences, USM.

Council member Society of
Critical & Emergency
Sonography Malaysia
(SUCCES) Malaysia.

Fellow Emergency & Critical
Care Ultrasound
WINFOCUS International.

**PROF MADYA
DR MOHD FAHMI
BIN LUKMAN**

Consultant
Anaesthesiologist
Department of
Anaesthesiology and
Intensive Care,
Tuanku Mizan Armed Forces
Hospital, Kuala Lumpur.

Member of SIGDAM,
Special interest group of
difficult airway.

Organised by:

In collaboration with:

WORKSHOP 2 : Fibreoptic Intubation

Specialist in
Department of
Anaesthesiology and
Intensive Care, Hospital
Kuala Lumpur.

**DR ROHAYU
BINTI OTHMAN**

**PROF MADYA
DR RHENDRA HARDY
BIN MOHAMAD ZAINI**

Senior lecturer and
clinical consultant in
the Department of
Anaesthesiology and
Intensive care in
Hospital Universiti
Sains Malaysia (HUSM).

Member of SIGDAM,
Special interest group
of difficult airway.

WORKSHOP 3 : Surgical Airway

**PROF MADYA
DR RHENDRA HARDY
BIN MOHAMAD ZAINI**

Senior lecturer and
clinical consultant in
the Department of
Anaesthesiology and
Intensive care in
Hospital Universiti
Sains Malaysia (HUSM).

Member of SIGDAM,
Special interest group
of difficult airway.

**DR ZARINA BINTI
ABU KASIM**

Anaesthesia
consultant
Department of
Anaesthesia and
Intensive Care,
Hospital Kuala
Lumpur.

DR ADI BIN OSMAN

Senior Consultant
Emergency Physician
& Emergency Critical
Care, Trauma &
Emergency
Department,
Hospital Raja
Permaisuri Bainun.

**PROF MADYA
DR MOHD HASHAIRI
BIN FAUZI**

Senior Lecturer &
Consultant
Emergency Physician
School of Medical
Sciences, USM.

Organised by:

In collaboration with:

WORKSHOP 4 : Supraglottic Airway & Video Laryngoscope Intubation

**DR RAJA JASMINNAZ BINTI
RAJA JAMALUDIN**

Anaesthesiologist,
Department of
Anaesthesiology and
Intensive Care,
Hospital Kuala Lumpur.

**DR SITI SALMAH BINTI
GHAZALI**

Anaesthesiologist,
Department of Anaesthesiology
and Intensive Care,
Hospital Kuala Lumpur.

National fascilitator for Difficult
Airway Workshop since 2011.

**DR ZARINA BINTI
ABU KASIM**

Consultant
Anaesthesiologist,
Department of
Anaesthesiology and
Intensive Care,
Hospital Kuala Lumpur.

WORKSHOP 5 : Bonfils Intubation

Consultant
Anaesthesiologist
Department of
Anaesthesiology and
Intensive Care,
Tuanku Mizan Armed
Forces Hospital,
Kuala Lumpur.

Member of SIGDAM,
Special interest group
of difficult airway.

**PROF MADYA
DR MOHD FAHMI
BIN LUKMAN**

**PROF MADYA
DR NADIA BINTI
MD NOR**

Senior
Lecturer/Consultant
Anaesthesiologist
Hospital Canselor
Tuanku Muhriz,
Hospital Pengajar UKM
